

Hello Sir /Madam,

Many thanks for your interest in skin & Hair care/cosmetic laser/ surgery procedures. You are welcome to visit my website [www.cosmeticsurgerypune.com](http://www.cosmeticsurgerypune.com) for in depth information about your cosmetic requirement. It is very difficult to give you estimate & laser/surgical planning without examining the patient. You may send photographs if appropriate for primary evaluation & rough cost estimation. You are invited to visit my clinic for further information/free brochure/computer imaging or consultation with Dr. Chaudhari, Cosmetic surgeon. Consultation fee Rs.400/-

### **Understanding Your Problem**

Your consultation with Dr. Chaudhari may be extensive and informative. Start your education here on this site. Learn why patients from around the India travel for Dr. Chaudhari's cosmetic surgery sculpture. Patients can often start with our Preliminary Remote Discussion before coming to Pune. Our consultations build on the information here on the internet. Forms that you will need to complete help Dr. Chaudhari understand you problem. Please fill them out completely. If you have questions, our staff will help. Bring your friend or a family member to assist if necessary.

A list of your current medications including dosages and frequency would be helpful. Please bring any investigations/ X-rays (Radiographs) that may have been taken regarding your current condition. Please mention earlier procedures/operations if you have undergone.

### **To Schedule Your cosmetic surgery**

Arrangements for elective surgery can be made at the time of your in office consultation. We make an effort to accommodate our patient's schedules and varied lifestyles

### **In An Emergency**

For emergency care or urgent problems, call/SMS +919822058916. Our office staff or the answering service will answer your call. Dr. Chaudhari will respond to your call as soon as possible. When he is out of town, another surgeon will be available. In true emergency situations, go to the nearest hospital emergency room.

### **Our Patients**

The purpose of our practice is to provide our patients with excellent medical care and treatment in total privacy. Please tell us if you have any suggestions about how we can better serve you, your family, and your friends.
